Welcome back Raiders to the 2023-2024 school year!

I am looking forward to welcoming our new and current faculty members back to school on August 30th for their teacher workday.

With the hard work and dedication of the administration, staff and community, the dreams of an artificial turf football field and new all-weather track have finally come to a reality. This is just one of the major improvements made to the BL campus over the summer. In addition, significant asphalt paving has been completed. Lastly, a new band tower was erected which will benefit the marching band program for years to come.

To comply with Ohio's Dyslexia Support Laws, more than 50 staff members have completed professional development training on the Orton-Gillingham Approach.

In addition, the elementary and middle school staff have adopted an instructional resource called i-Ready, which is a high quality assessment and instruction tool to help inform decision making at the district level. The i-Ready Diagnostic will replace the NWEA MAP Growth Assessments.

New courses at BLHS for 2023-2024 include Art III, Photography Composition, Strategic Entrepreneurship, Operations Management, Software and Operating Systems, General Chemistry II CCP, Honors US History, and History through Film.

For students to feel comfortable and maximize their learning potential, they must feel safe and secure in their environment. Safety and security enhancements have remained a priority over the summer. Multiple security cameras and electronic badge readers were installed. Additional enhancements to provide added security for entry points to the buildings were also completed. Finally, an armed response team of school employees was trained and will serve as a back up to our three School Resource Officers in all school buildings.

Yours in Education,

John Schen
Superintendent

STAY SAFE. SPEAK UP!

The Stay Safe. Speak Up! Student Safety Reporting System, powered by PublicSchoolWORKS, is provided for students and parents to report issues related to: bullying, harassment, intimidation or threats, alcohol or drug abuse, physical or mental abuse, bomb threats, discrimination, hacking or cyber vandalism, health concerns including self-abuse, HIV and AIDS, suicidal behavior, suspicious behavior, theft, tobacco possession, use or distribution, vandalism, violence or fighting, weapons or other dangerous items, or other issues of concern.

FINALFORMS

By keeping your student's FinalForms current it allows school district personnel to contact specific lists of parents, students, and staff with real-time updates and information.

<https://benjaminlogan-oh.finalforms.com>

SCHOOL BASED HEALTH CENTER

The goal of our school-based health center is to minimize the time children are out of class and maximize the amount of time they spend learning. The SBHC also supports the community by providing a consistent way for students to receive much needed care and for families to rely on convenient support of healthcare professionals they know and trust. The hours are (when school is in session, located in our Elementary building):

Monday through Friday, 7:30 a.m. to 3:30 p.m., 937-599-1411

We would like to welcome the following new staff into our system:

DISTRICT

TITAN FAMILY PORTAL IS NOW LINQ CONNECT

We're excited to inform you that our meal payments portal, TITAN Family Portal, has been upgraded to LINQ Connect. There's no need to change your username and password. All your information will be transferred to the new app.

Visit your app store and find "LINQ Connect" available in the Google Play Store now and the Apple App Store available soon to download the new app and enjoy these new features. Just log in with your existing username and password. If you use a browser, visit LINQConnect.com to log in.

If you don't use our online meal payments portal, LINQ Connect allows you to set up one-time or recurring payments for your student's meal. You can also view previous transactions, set spending limits, transfer funds between students, set low-balance notifications and more. It's an easy way to manage meal payments without the hassle of sending cash.

For additional information, please contact Stacie Newman, Food Service Director at 937-593-9211 Ext: 1007 or newmans@benjaminlogan.org

FREE AND REDUCED SCHOOL MEAL APPLICATIONS

Please remember to complete your free and reduced meal application. Raised income eligibility guidelines have allowed for more families to qualify, which also may allow for school fees to be waived. Electronic applications are available online at linqconnect.com and hard copy applications are available in each school building office, cafeteria, and at the Central Office.

NEW: Qualifying reduced price families will now receive free meals for the 2023/2024 school year.

STUDENT EDUCATION RECORDS ARE PROTECTED UNDER FERPA AND OHIO LAW

The release of student records by schools is governed by both state and federal statutes. At the federal level, all school districts receiving federal funds are subject to the Family Educational Rights and Privacy Act of 1974 ("FERPA"). FERPA regulates the use and access to student education records, provides procedures for correcting faulty information, and assures parent and student access. At the state level, the Ohio Student Records Privacy Act, R.C. § 3319.321, similarly restricts the release of student records.

SCOTT LeVAN • Special Education Director

CHILD FIND

Benjamin Logan Schools is responsible for locating any child, birth to 21, with a suspected disability who resides within the Benjamin Logan School District. The school district provides special education services to any child who qualifies as disabled according to the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act. Suspected disabilities include: preschool child with a disability, multiple disabilities, deaf-blind, hearing impairment, visual impairment, speech/language disability, orthopedic impairment, emotional disturbance, mental retardation, specific learning disability, autism, traumatic brain injury, and other health impairment. If you know of a child who is suspected of having a disability, please call Scott LeVan, Special Education Director, at (937)593-9211 or contact your building principal for more information.

GIFTED SCREENING AND IDENTIFICATION

Ohio defines a student who is gifted as one who "performs or shows potential for performing at remarkably high levels of accomplishment when compared to others of their age, experience, or environment" (Ohio Revised Code 3324.01).

Public school districts are required to identify students in grades K-12 for gifted identification in the following areas: **Superior cognitive ability**; **Specific academic ability**; mathematics, reading/writing, science, and social studies; **Creative thinking ability**; and **Visual or performing arts ability**; dance, drama, music, and visual arts.

SALLY STOLLY • Director of Administrative Services

Congratulations on your retirement!

Wishing all of our 2022-2023 retirees the best of health, happiness, and success!
Thank you for your service to Benjamin Logan Schools.
